## D - Volleyball Coaching Course

On the weekend of the 27-29<sup>th</sup> August, 26 very committed and very enthusiastic Volleyball coaches & potential coaches gathered at the Sydney academy of Sport in Narrabeen to complete the very first AOCVD approved D-Volleyball Coaching Course.

With experienced and well credentialed presenters, Weiping Tu (Head Facilitator, AOCVD Development Officer, accredited course presenter & Australian Sitting Volleyball Head Coach) Andrew Davison (WOVD international referee) and Jenni Cole (WOVD classifier) the course ran very smoothly with participants enjoying the great variety and subtly those D-Volleyball offers.

The different sessions consisted of theory & practical, with participants really taking to playing Sitting Volleyball themselves. This shows it isn't just a sport for disabled participants, but could be used to integrate into mainstream competition.

It is a big step forward with these newly qualified coaches being able to help any disabled athletes they may come across in the community who may be interested in pursuing Volleyball as a pastime.

I would like to thank the ASC & AAWD for their help in making this weekend happen.

Without them new initiatives like these would be even harder to get off the ground.
